

DISTRICT 12 UNITY PATCH CRITERIA D12R PATCH

Criteria as voted on by members in attendance 12/07/2019

- 1- With two or more riders visit five (5) American Legion Posts in our district in one day.
- 2- With one or more riders (may be done solo), attend a *function* at two (2) of our ALR district posts. Does not have to be in the same day.

###A function is a "Bike Night", "Wing Night", "Steak Shoot", "post clean up". Not a poker run! This is not a visit, but an intentional stop supports a post function. It does not have to be a ALR function to qualify. Any post family function qualifies. ###

- 3- Assist at an ALR function at another ALR post in our district.

###Patches will be awarded four times a year at each Quarterly District Riders Meeting so all chapters can participate and be a part of the awards ceremony. You can take as long as you need to complete each one of the three (3) criteria posted here. All paperwork must be received thirty (30) days prior to the next scheduled Quarterly District Meeting along with payment of \$5.00, (cost of patch).
